18th September 2024

Dear Parents & Carers

Year 3 Visit – Stone Age Discovery Day - Thursday 17th October.

During the Autumn Term, Year 3 will be learning about The Stone Age through to the Iron Age. We have booked for the children to visit the Lee Valley Park in Waltham Abbey Gardens, to take part in their Stone Age Discovery day on **Thursday 17th October**. The children will leave shortly after arriving at school and will be back for the end of the school day, travelling by coach.

During the day, the children will learn about changes in Britain from the Stone Age to the Iron Age and will take part in a range of activities including fire-lighting and primitive art. The session will also help to develop their skills in history and geography through understanding methods of historical interpretation and enquiry as well as taking part in fieldwork.

The cost for this trip is £15 and should be paid through Arbor by Monday 14th October where we also require you to provide permission for your child to attend.

We will keep a close eye on the weather, but on the day please ensure that all children come to school with a waterproof coat and comfortable footwear (wellies), bearing in mind that it may be wet.

Please provide your child with a packed lunch for the day. If they require a packed lunch from school of either ham, cheese or tuna roll, please inform the school office by Monday 14th October.

Should you have any questions, please contact me at school.

Yours faithfully,

Miss Lyden
