The bearKeeper book review

The bearKeeper is a wonderful book about a young boy called Pip who ventures into London in search of revenge after his stepfather's blacksmith forge was robbed by a gang of bandits sent there by George Stone, Pip's apparently dead birth father. Can Pip manage to get to London, get revenge on Weasel and his gang and find his father?

Ping pong club! @ Kamran.K

We, the N.M.W, have had an idea to create a table tennis club, and maybe even have a tournament. The club will run on a Friday lunchtime from 12:40 to 13:10. The club is run by me, Kamran, and I fan. Mrs Ofosu will also be supervising. The club is for Key stage two and will have two games running at a time.

Every year the London fireworks happen

This week's News is about the 2025 New years Eve Firework Display that happens every New Year's Eve at 12 O'clock. This year did not use any drone images, just Projectiles. It was by the bangers London eye, (like every year) and it was packed.
