Hirings Policy

Reviewed: January 2025

Ratified: January 2025

Next Review: January 2026

Introduction

The Governing Body recognises the role of the school within the community and encourages the use of the School's premises for a variety of community and leisure purposes, provided these are in line with the character of the school.

Use of the school premises by the school, or on behalf of the school (e.g. PTA) are not subject to the charging elements of this policy.

A copy of this policy will be sent with the booking form to the Hirer when the initial enquiry is made.

2. Access to Premises

No access will be given to parts of the building which may contain sensitive information about pupils or expensive school equipment. The maximum number of persons that can be admitted in the main hall for meetings is 150 and, with COVID restrictions in place, must be in line with government guidance at the time of the event.

3. Charges

The Governing Body reserves the right to make a charge for the use of the school premises. The charge will vary according to the needs of the letting as laid out in the booking form.

4. Application Procedures

a) Application Forms, available from the school, should be submitted to the school office at least two weeks before the first day of the proposed letting. The person signing the application form will be considered to be the Hirer. A reference may be taken up to ensure their legitimacy. The details of each application will be considered by the Headteacher to ensure that staffing will be able to support the hiring, where appropriate and that the booking is made in line with the character of the school. This will then be agreed between the Headteacher and Chair of the Finance and Premises Committee. Where there is any doubt at this stage, the decision will be deferred to the next Finance and Premises Meeting for further discussion.

b) Hirers are advised that that they must also have adequate public liability cover, as specified by the Risk Protection Arrangement and, where there is an event organised by another organisation, evidence will be requested together with the application form prior to hire.

c) All applications will be considered on their merits, taking into consideration the suitability of the activity. The Governing Body reserves the right to:

- refuse applications
- have a representative present at any function

d) Letting fees are reviewed annually by the Governing Body.

e) Right of Termination – The Governors reserve the right to terminate any letting (even after the signing of the application form), at any time prior to the hiring where it is considered that the use of the premises is likely to occasion a very real risk of disorder or damage or injury to persons or property or reputation of the school. The Governors also reserve the right to terminate any activity not properly conducted, or where complaints are received as to the use of the premises by the hirer.

- f) In the event of the hiring being cancelled, there shall be refunded to the applicant any payment made in respect of the hiring and such refund shall be accepted by the Hirer in full satisfaction of any loss or damage caused by the cancellation and the Governors shall have no further liability in that respect. The school will give as much notice as possible if it feels it necessary to cancel a booking. The L.A. and the school will accept no liability in respect of commitments incurred by the hirer due to such cancellations.

Conditions of Use

5. Security of the Premises

For security reasons, the school keys will not usually be available to the Hirer, although consideration will be made in the case of block bookings. References may be taken up. It will be the responsibility of the Hirer to ensure that the school premises are secure during the time they are in use. The entrance door must not be left open or ajar at any point during the hiring process. The Hirer will be responsible for manning the door allowing access to the school premises.

6. Use of Facilities

- i. Users of premises are asked to remember that the schools or colleges are primarily intended for the education of pupils or students and much trouble and work will be saved if the premises are treated with care and respect.
- ii. The Hirer must use only that area of the building hired and must observe any instructions given by the school concerning the area available. Any furniture or equipment moved by the Hirer should be returned to its original position at the end of each session.
- iii. The Hirer shall indemnify the Governors from and against all cost, claims, expenses or damage incurred or suffered by the Governors arising either directly or indirectly out of the use by the Hirer of the hired accommodation and equipment at the school.
- iv. It is a condition of the hiring that no responsibility can be accepted by the Governors for loss of, or damage to, any private property which may be brought on to the premises as a result of the hiring.
- v. Smoking is NOT ALLOWED on the School Premises (including grounds).
- vi. The Hirer is responsible for ensuring that good order is kept on the premises.
- vii. No bolts, nails, screws, bits, pins, spikes or other objects shall be driven into the fabric or furnishings of the School premises. No articles may be fixed thereto and there shall be no structural alterations to any part of the premises or resources.
- viii. The Hirer will be responsible for the proper use of any school facilities or equipment by agreement (specialist equipment is not generally available e.g. projectors, TV and video equipment, cookers etc., unless special arrangements have been made) and must take all reasonable precautions to ensure that there is no damage to the fabric of the buildings, furniture and fittings, or school equipment. The Hirer will be responsible for making good any damage to the premises and property. Any precautions required to ensure the users' safety when using equipment are the responsibility of the Hirer. This includes, for example, the provision of information and training in the use of the equipment.

In all cases, the Hirer must ensure that risks associated with the activity are properly controlled throughout the hire period and that the premises are returned to the control of the school in a clean and satisfactory condition.

- ix. The Hirer shall ensure that all property brought onto the premises for the purposes of the hiring is removed before the expiration of the hiring. The Governors shall not be responsible for any property left behind and reserve the right to charge extra while it is on the premises.
- x. No slogans, advertisements, flags, emblems or decorations shall be displayed outside the School premises without the prior permission of the School. Even if permission is granted, the School reserves the right to remove any slogan, advertisement, flag, emblem or decoration displayed outside or inside the School premises if it considers these to be unlawful, unseemly or libellous, or expose the premises to an undue risk of fire or is likely to lead to a disturbance or breach of the peace.
- xi. Users should acquaint themselves with the Fire and Safety regulations and procedures relating to the area of the premises in use. These will be clearly displayed in each of the designated areas. The Hirer must ensure that all participants are aware of the fire procedures and that they know where the nearest fire exits and fire-fighting equipment are located. No fire appliances must be removed or tampered with.
- xii. It is the responsibility of the Hirer to provide first aid equipment.
- xiii. For security reasons, the Hirer will not have access to the school telephone. Hirers are required to have a mobile telephone for use in an emergency.
- xiv. Any lights or other electrical apparatus which shall be connected to the electrical installation in the premises shall be properly insulated and fused and electrical plugs and sockets shall not be overloaded.
All mains powered electrical equipment brought onto the premises must be safe and evidence may be required that it has a valid test and inspection certificate (the certificate should be less than one year old for earthed equipment, or less than 4 years old for double insulated equipment). Lower voltage equipment must also be safe and in good condition.
- xv. Animals, other than Guide Dogs, are not permitted anywhere on the school premises.
- xvi. No combustible materials are to be used within the school, except with the express approval of the Governing Body.
- xvii. The Site Manager will be consulted regarding requests for lettings so that heating/lighting can be arranged and exterior lights left on, as appropriate.
- xviii. The school reserves the right to levy an additional charge to cover cleaning, damage or replacement.

7. Licences

There are a variety of licences that may be required for different types of function. The onus is on the Hirer to ensure which are necessary, and the Hirer must produce documentary evidence before the letting takes place. The Hirer will indemnify the school and LA against any action brought about by failure to obtain the necessary licence(s). The following categories of letting may require a licence:

- Theatre licence
 - Copyright/Royalty licence
 - Cinematography licence
 - Music, Singing and Dancing
- i. Alcohol may not be sold on the premises.
Unconsumed beverages or food on site must be removed from the premises immediately after the function has ended.
- ii. All legal requirements of Gaming and Lotteries legislation shall be observed without infringement.

8. Incident, fire or near miss

Following these the hirer is required to complete any forms the school may require.

In the event of an incident

- The Hirer will call the appropriate emergency service and then as soon as possible advise the given contact as indicated on the hirer's application form.

9. Cancellations (By the Hirer)

Cancellations should be made in writing at least 48 hours before the proposed letting, otherwise the Hirer will still be liable for the standard charges.

10. Review

This Policy will be reviewed annually and at any other time as may be necessary.

11. Letting Fees

Charges for the hire of school premises are as Appendix B.

There is a minimum expectation that the hall will be hired for 2hrs or more by agencies unconnected to the school.

Long term bookings are welcome and the school retains the right to vary these charges accordingly.

Long term bookings will be invoiced monthly, in advance, and must be paid within 30 working days of receipt.
