SCHOOL MEALS INFORMATION

We use a Herts Catering menu where children are able to choose on the day (during morning registration with their teacher) from a choice of hot meals or a roll. The menu on our school website shows all the options available - it is a good idea to look at this regularly with your child so that they are familiar with the options on offer (paper copies are available from the school office).

Please note that pizza is still offered once a week, but no longer on Fridays.

Children are encouraged to have a hot meal in school, however if your child would like to bring a packed lunch in on any day then that is fine. Note that some of our children have serious allergies and therefore we are a **nut free** school, so please check all food labels carefully and keep this in mind when sending food in for your child, thank you.

If you wish your child to have school meals, priced at **£3.55 per day**, please ensure that your **child's Arbor meal account is in credit**.

Although it is possible to pay for single, individual meals in advance, we have set out below prices to cover some different meal patterns if you wish to pay a lump sum at the beginning of a term or half-term.
