## The PTA-Funded Nash Mills Bubble Run 2025

Dear Parents and Carers,

On May 23<sup>rd</sup>, we shall be holding a sponsored bubble run, supported by the PTA, in order to raise funds for different projects that will make a huge difference to our children and their learning journey here at Nash Mills.

As a school, we are looking into how we can develop our outdoor areas to enable the children to learn in different spaces around the school. Being outside is vitally important for a child's personal, physical and emotional development and is the perfect way for them to explore, engage and take risks. Over the coming months, we have exciting plans to begin developing our Anniversary Garden (the area outside KS2 classrooms) and explore the use of VR equipment to support our curriculum and make it even more immersive. This will allow different activities outside and inside of the classroom.

As you will be aware, all of these things come at a cost and, for one project alone, we are looking at needing to raise over £10,000. The PTA work hard to support us with these fundraising efforts and, in the past few years have helped to enable projects such as the replacement of our play equipment and the installation of our outdoor gym, both of which have had a huge impact.

Two years ago, we held a colour run, which was a huge hit with the children and this year we are planning to hold a bubble run. There will be various stations of bubbles for children to run through while they complete their laps and by the end, they will be a kaleidoscope of colour!

This is where you come in! We would like to ask each family to help us by collecting sponsorship; asking neighbours and family for their support. If each child in the school managed to raise just £20, this would raise almost £5,000 which would get us well on the way to reaching our goal. Overleaf is a sponsorship form, which can be used to collect pledges. Nearer to the event, we will share information on how we will collect any money raised.

We hope that the children enjoy thinking of ways that they can help us to reach our target and to make a real difference to our school.

Yours faithfully,

Mr Maher and Mr Shane
