

Year 3's Homework Menu - Spring Term

English

Complete the fronted adverbial worksheet.

where	when	how
-------	------	-----

Above the clouds,	Soon,	Without a sound,
Outside,	Yesterday,	As quick as a flash,
Back at the house,	Immediately,	Without warning,
Nearby,	In the morning,	Happily,
In the distance,	Just then,	Courageously,
Far away,	Later,	Unexpectedly,

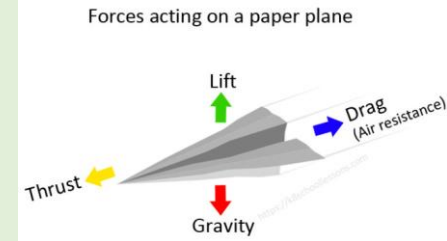

Maths

Choose 5 countries in Europe and research the height of 2 mountains in each country.

Can you put your findings in order from highest to smallest?

Science

In science, we will be exploring forces and magnets. Create a paper plane and try it out on a windy day. Explain what you notice. Does the plane fly smoothly? Name the forces that affect it.

Maths

Practise your times tables on
<https://ttrockstars.com/>

RE - Salvation

What do you think it would have been like to have been in the crowd as Jesus rode into Jerusalem on a donkey? What would you have heard or seen?

English

Imagine you are a mountaineer and you discover a volcano erupting. Write a diary explaining what your day was like.

Personal Development

Think about all the nice things you have done for people during your week. How does that make you and other people feel?

English

Complete the simile poem.

Maths

Gather some lolly sticks, twigs or drinking straws.

Select a random number of sticks or straws and decide how many of the same shape that you can make. If there are remainders use them to create different shapes.

I think that I can make five hexagons with these and one quadrilateral.

I think that I can make seven quadrilaterals and one hexagon.

How many different shapes can you make? Remember to name them.
