

Year 1's Homework Menu - Spring 1st Half Term

English

Draw a picture of your favourite weather and write some words to describe it. You might want to draw or paint a picture of you enjoying your favourite weather.

Maths

Money, money, money!
Create a 'piggy bank' and collect 1p, 2p, 5p, 10p and 20p coins.
Learn what each coin looks like.
Count all the 1ps, 2ps etc. Add the amounts up altogether.
How many different ways can you make 10p using different coins.

Science

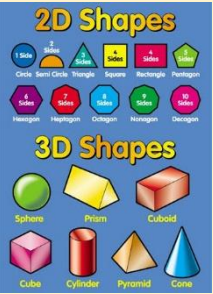

In science, we will be learning about plants. Explore the outside and look at the different plants and trees you see.

Can you name different types of trees?
How can you tell the difference between them?
Draw and label the plants and trees you see.

Maths

Go on a shape hunt. Look for 2D and 3D shapes. What are their names? Describe their features. 2D shapes have sides and corners. 3D shapes have faces, edges and vertices.

RE

In RE, we are learning about how Muslims pray lots of times each day. Think about the relationships in your life. What types of relationships do you have with different people. Create a potion for a good friend? What qualities do you want them to have?

English

Tue	Wed	Thu	Fri	Sat	Sun	Mon

Make a weather diary for a week-What kinds of weather did you see? Which day had the best/worst weather?

Personal Development

Thinking about road safety. How should we keep safe when we are out and about? What clothing should you wear? What should you do before you go out? Stop, Look, Listen! Design a poster to remind people.

English

Read your favourite story. Draw a picture of your favourite character and describe them. What's their name? What do they look like? Describe their personality.

Maths

Do you know the days of the week and the months of the year? Learn to spell the days of the week and the months of the year. Then learn them in order. Create your own calendar and change it daily.
